

The 46th NBS Contact Meeting will be held January 14th-17th 2010 at Storefjell Resort Hotel, Golsfjellet

Developmental Biology - Bioinformatics - Cell Biology - Gene Regulation and Epigenetics

The NBS Contact Meeting will present:

Prof. Aaron Ciechanover
Technion-Israel Institute of Technology, Israel

Ciechanover is winner of the 2004 Nobel Prize in Chemistry for his work on ubiquitin-mediated protein degradation

Prof. Ari Helenius
ETH Zurich, Switzerland

Helenius is winner of the 2007 Marcel Benoist Prize for his work on how influenza and other viruses infiltrate cells

...and more excellent speakers, in addition to a young scientific researchers (YFF) session, minisymposia, poster sessions, exhibitions and plenty of social activities

Immunology - Neurosciences - Post-translational Modifications - Structural Biology

Registration is open from October 1st 2009. Register before November 1st to benefit from discounted early registration fee. A prerequisite for registration is payment of the 2009 NBS membership.

“Our intention is to create, together with you, a meeting of high scientific standard with a pleasant social atmosphere. I look forward to seeing you at Storefjell.”

- Anni Vedeler, NBS Bergen
